Profile Summary

Detail-oriented IT professional with hands-on experience in Linux System Administration, Network Support, and Cybersecurity. Skilled in TCP/IP networking, system hardening, vulnerability assessment, and network traffic analysis using Wireshark. Experienced in supporting secure server environments, troubleshooting OS and network issues, and working with web-based systems. Strong academic background with practical exposure to real-world IT infrastructure and security operations.

Technical Skills

- Networking: TCP/IP, OSI Model, DNS, DHCP, HTTP/HTTPS, FTP, SSH, Subnetting, Network Security Basics
- Databases: MySQL, MongoDB
- Programming: Java, Python, JavaScript, MERN Stack, ASP.NET, PHP
- Tools: Kali Linux, WireShark, BurpSuite, Git, Github, Docker

Experience

Sequaretek Pvt. Ltd. | Linux System Administrator

Feb 2024 - Sep 2024

- Conducted Vulnerability and Compliance Assessments to identify and address security risks.
- Applied OS patching via RPM and YUM to maintain system security.
- Implemented server hardening to minimize attack surfaces and enhance protection.

Projects

Networking & Security Labs

- Analyzed network packets using Wireshark to study TCP/IP, DNS, and HTTP traffic.
- Performed packet sniffing and network attack simulations in Kali Linux lab environment.
- Practiced Linux-based network troubleshooting including interface configuration and service diagnostics.

Bias Detection & Fairness in Voice-Based Banking Authentication

July 2025 – Nov 2025

- Developed a 1D-CNN based voice authentication system using MFCC features in MATLAB.
- Implemented dataset balancing and augmentation to reduce bias across accents and gender.
- Improved fairness and speaker recognition accuracy across diverse user groups.

Real Estate Portal (MERN) | Live | <https://real-estate-portal-nine.vercel.app/>

Jan 2025 – June 2025

- Implemented secure role-based access for Admin, Agent, and Client.
- Enabled portfolio creation with property listings and image carousels.
- Responsive UI with Tailwind CSS hosted on Vercel.

Certifications

- Foundational C# with Microsoft - Feb 2025
- Network Support and Security - Mar 2024
- Introduction to Cyber Security – Mar 2024
- Cyber Threat Management – May 2024

Education

- MCA | Thakur Institute of Management Studies, Career Development & Research, Mumbai | Pursuing | 9.67 CGPA | 2026
- BSc-IT | Ramniranjan Jhunjhunwala College, Mumbai | 9.64 CGPA | 2024
- HSC | Guru Nanak Junior College | 83.50% | 2021
- SSC | Guru Nanak English High School | 72.80% | 2019

Extra-Curricular Activities

- Headed the Research Paper Editorial Team for the ICAIM event.
- Led a team in Synapse Product Development Program, securing 3rd place for a UN SDG-based solution.
- Volunteered in college events including Yuvotsav and Vista.
